Gift Annuity Program

Summary Report

December 31, 2010

Gift Annuity Program

Lehigh University offers both current and deferred payment annuities. A person who enters into a gift annuity agreement with Lehigh is actually doing two things - making a gift to Lehigh and purchasing a fixed income for life. In the case of a deferred payment annuity the person agrees to wait one or more years before life income payments start - in return for a somewhat higher rate of return than the immediate annuity offers.

Lehigh bases its Gift Annuity Rates on those established by the American Council on Gift Annuities, a national organization of charities which issue gift annuities. The Council reviews rates periodically, at which time rates may be changed for new gift annuities. Sample current one-life rates as of July 2010 are as follows:

<u>AGE</u>	<u>RATE</u>	<u>AGE</u>	<u>RATE</u>
55	5.0%	73	6.1%
56	5.0%	74	6.3%
57	5.1%	75	6.4%
58	5.1%	76	6.5%
59	5.2%	77	6.7%
		78	6.8%
60	5.2%	79	7.0%
61	5.2%		
62	5.3%	80	7.2%
63	5.3%	81	7.4%
64	5.4%	82	7.5%
		83	7.7%
65	5.5%	84	7.9%
66	5.5%		
67	5.6%	85	8.1%
68	5.7%	86	8.3%
69	5.8%	87	8.6%
		88	8.9%
70	5.8%	89	9.2%
71	5.9%		
72	6.0%	90 and over	9.5%

The annuity rates are less than those offered by insurance companies, but donors have the satisfaction of obtaining a charitable tax deduction for part of the value of the gift, as well as doing something of lasting benefit for the University.

The rates have been computed to produce a “residuum”, or gift to Lehigh at the expiration of the agreement, which is on average 50% of the amount of the initial contribution. The rates are based on actuarial studies of mortality experience among gift annuitant lives and consideration for the income rate expected from the invested reserve funds.

Beneficiaries receive monthly annuity payments for life according to the terms of a simple contract. These payments are fixed and guaranteed by the revenues and assets of the University.

Description of Reserve

Gifts to the annuity program are invested in accordance with state requirements. The assets held generate income to distribute to beneficiaries and provide a reserve of capital, if needed, to make up the difference between the income earned and the required distributions. Upon the termination of the life interests covered by a given contract, a proportionate share of the entire reserve is applied to the purpose outlined in the original gift annuity agreement. At maturity the contract balance is invested in the endowment fund.

Lehigh has completed applications for all states with annuitants and all state requirements for registration of gift annuity programs. At June 30 each year, Lehigh performs an internal review of our gift annuity reserve compared to the total reserve assets to the present value of the reserve's liabilities. Our reserve assets at December 31, 2010, are well in excess of the present value of its liabilities.

Gift Annuity Disclosure Statement

Description of a Gift Annuity

A gift annuity is a simple contract between the donor(s) and Lehigh University (hereinafter "Lehigh"). In exchange for the donor's(s') contribution, Lehigh promises to make fixed payments for life to one or two annuitants (usually, but not necessarily, the donor(s)). The amount paid is based on the age(s) of the annuitant(s), in accordance with Lehigh's rate schedule.

Not a Commercial Investment

The act of establishing a gift annuity with Lehigh is not, and should not be viewed as, an investment. Rather, it is a way to arrange for annuity payments while making a charitable donation. In this respect, a gift annuity issued by Lehigh is different from a commercial annuity. However, the fact that you are making a charitable gift may result in tax benefits, including a current federal income tax charitable deduction (if you itemize your deductions), annuity payments which are partially tax-free, and future estate tax savings.

Gift Annuity Rates

Generally, the gift annuity rates paid by Lehigh are those suggested by the American Council on Gift Annuities, which is a national organization of charities that has been in existence since

1927. These rates have been calculated so as to provide attractive payments to the donor and/or other annuitant(s) and also to result in a significant portion of the contribution remaining for the charity. Because a charitable gift is involved, the rates are lower than those available through commercial annuities offered by insurance companies and other financial institutions.

Assets Backing Annuity

The annuity payments are a general obligation of Lehigh, and they are backed by all of our assets (subject to security interests). On 12/31/2010, our total invested funds exceeded \$1,000,000,000. We also maintain a gift annuity reserve fund valued at more than \$20 million in accordance with the laws of the states in which we offer gift annuities. Assets received by Lehigh for gift annuities are managed internally, in a conservative and disciplined manner. If Lehigh should ever fail financially, individuals entitled to receive annuities will qualify as general creditors of Lehigh.

Responsibility for governing Lehigh, which was established in February 9, 1866, is vested in a Board of Trustees. Common investment funds managed by our organization are exempt from registration requirements of the federal securities laws, pursuant to the exemption for collective investment funds and similar funds maintained by charitable organizations under the Philanthropy Protection Act of 1995 (P.L. 104-62). Information in this letter is provided to you in accordance with the requirements of that Act.

Points to Remember

- A contribution for a gift annuity is irrevocable.
- The right to annuity payments may not be assigned to any person or organization, other than Lehigh.
- The gift date is the date when you actually transfer assets. In the case of cash, it is the date you mail or deliver a check. In the case of an electronic transfer of securities, it is the date they are received into the account of Lehigh. If you have certificates, it is the date they are properly endorsed and mailed or delivered.
- The gift annuity is governed by applicable state laws.

For More Information

This disclosure statement is intended to provide basic information regarding the gift annuities issued by Lehigh. If you have additional questions concerning Lehigh's gift annuity program, please call (610) 758-4874 or write Lorraine S. Wiedorn, Assistant Vice President, Planned Giving, Lehigh University, 27 Memorial Drive West, Bethlehem, PA 18015-3086.

Pooled Life Income Funds

Summary Report

December 31, 2010

Pooled Life Income Funds

Lehigh University's Pooled Life Income Funds operate in much the same way as a mutual fund. Gifts to each fund are pooled and invested with other gifts to that fund. Income earned by the fund is distributed to all participants on a quarterly basis. A fifth and final check is mailed to participants before the end of January each year to distribute the prior year's remaining income.

Lehigh is responsible for the investment management of its Pooled Life Income Funds, and State Street Bank and Trust is currently contracted to administer these funds. Summary Reports of each fund follow:

Description of Investments

Investment fund selection is made in order to achieve the specific investment objective of each pooled fund. The following is a brief description of the individual funds in which the Pooled Life Income Funds were invested during the year:

Vanguard High Yield Corporate Fund

Seeks to earn a high level of interest income. The fund's assets are composed of high yield corporate bonds, which pay high interest rates. The investment advisor seeks to reduce risk somewhat through solid credit research and broad diversification across companies and industries and by emphasizing high-yield bonds with relatively stronger credit ratings.

Vanguard Wellington Fund

Seeks to provide both income and long-term growth of capital without undue risk of capital appreciation. The fund's assets are composed of a mix of common stocks (65%) and fixed income securities (35%).

Vanguard Wellesley Income Fund

Seeks to provide a high level of income, long-term growth of income and moderate long-term growth of capital. The fund's assets are composed of 60-65% high-quality long-term and intermediate term bonds, with the remainder in dividend-paying stocks.
