Only those students who are eligible (NCAA in-season athletes and international students) are permitted to remain on campus for all or part of the break. NCAA in-season athletes are automatically signed up to be on campus based on the dates provided by their coaches. Eligible International students received an e-mail and were required to sign up Residential Services. Eligibility to remain on campus does not mean that all houses will remain open. Each approved person will receive more specific information in regards to their housing for the break.

Unauthorized entrance into or occupancy of the houses during this period is a violation of the General Provisions for Student Occupancy.

CLOSING PROCEDURES:

Building Security: Buildings will be locked and alarmed at 9:00 AM on March 7th. It is important to note that any student who has not fully vacated their house and is not authorized to be in the house beyond the 9:00 AM closing time may be fined a minimum of $25 for delaying the closing of the house.

Student Property: Safekeeping of personal property is a student responsibility. Students are reminded to be security conscious. It is recommended that students take valuables home with them for the break. If this is not possible, secure them out of sight in a closet, etc. Lehigh University is not responsible for the theft or damage of student personal property at any time including periods when facilities are closed for academic breaks.

Closing Procedures: Rooms will be checked by Lehigh University Staff to verify that closing procedures have been followed. A fine of $25 per resident may be issued if these procedures have not been completed:

- Unplug all electrical outlets
- Unplug refrigerator/Microfridge in your personal bedroom, remove perishable food, leave refrigerator door open
- Remove or secure valuable items
- Empty trash containers
- Close and lock all windows, pull shades/blinds half way down, turn lights off and lock the door

Additionally, all lease violations which are visible during closing will be addressed.

Parking: All vehicles must be removed from campus lots. Please contact the Parking Services Office at 610-758-3893 for specific parking location instructions. Any vehicles parked in campus lots during break will be ticketed and towed at the owner’s expense. The University will not be responsible for any damage, theft, etc. to vehicles in any university parking lots.

ID card and Room Key: Please remember to take both your Lehigh University ID card and your room key with you when you leave for spring break. University offices are closed on the day of opening after spring break. Response time to lockouts could be as long as 60 minutes and all costs associated with the callout of staff for lockouts will be charged back to the resident.
