   d. The Occupant fails to make any payment required by this Contract or vacates the premises;

Appropriate conduct, as outlined by any and all appropriate University Policies and Procedures applicable to the Occupant’s status at the University (e.g., Students – Student Handbook) and the policies contained or referenced herein, is expected of all individuals living in University Residence Halls, including the Occupant and
Occupant’s guest(s), especially when it pertains to another’s legitimate use of a residential area for sleep, study or privacy. Behavior that infringes on the rights of other residents is prohibited and may result in relocation and/or disciplinary action. Occupant must respond to all official University directives or requests. Occupant is advised to acquaint him or herself with the more detailed regulations covering this topic in the Student Handbook.

1. ALCOHOL: Alcohol is only permitted in a bedroom where one or more of the Occupants are at least 21 years of age. If any Occupant is under the legal drinking age of 21, the Occupants of legal drinking age are permitted to possess alcohol but cannot provide it to anyone under the age of 21. If an apartment has residents who are of legal drinking age (21) and not of legal drinking age (under 21), alcohol is only permitted in the bedroom of the resident(s) who are at least 21 years of age. Rooms and apartments occupied by residents who are all under the legal drinking age are considered “dry rooms” and no alcohol is permitted regardless of the age of guests. In addition, Occupants are prohibited from displaying alcohol containers of any kind (empty or full) if the Occupants are not at least 21 years of age. Hard alcohol, drinking games and all drinking paraphernalia, as addressed in the University’s Social Policy, are prohibited in all areas of Residence Halls, including rooms, apartments, and common areas.

2. CLEANLINESS: Occupant is expected to keep all areas of buildings, especially kitchens, bathrooms, lounges and corridors, in satisfactory condition. Special cleaning of the common areas or of an Occupant’s individual apartment or room that is required due to an Occupant’s carelessness will be billed to the Occupant.

5. NOISE/QUIET HOURS: Loud music and disruptive noise infringes upon the rights of others to study, to sleep or to carry on necessary duties and functions at the University. For these reasons, quiet hours are observed in all residence halls. Quiet hours are from 11:00 p.m. to 8:00 a.m. Sunday night through Friday morning and from 1:00 a.m. to 10:00 a.m. on Saturday and Sunday. Congregating in the hallways such that it impairs another Occupant’s ability to study or sleep is not permitted during quiet hours.
During final exam periods, quiet hours will be in effect 24 hours a day beginning at 1:00 a.m. following the last day of class each semester. Outside of the designated quiet hours, Occupant is expected to respond to reasonable requests from other residents to reduce noise if it is infringing upon others. As stated in fire code regulations, no material or posters may be affixed from the ceiling, pipes, light fixtures, or overhead at any time. The hanging of cloth material or tapestries may not cover more than 50% of each wall nor can they be hung on a wall above a bed. Curtains which enclose a bed are not permitted. In buildings with sprinkler systems, decorations may be further limited by fire safety regulations.

Furniture may not be stored in common areas or outside. Furniture cannot be placed in any way that prevents door or windows from properly functioning. Examples include, but are not limited to, the installation of ceiling fans and rewiring of room electrical outlets. The University or its authorized agents shall make all repairs to the building or equipment on the building and surrounding grounds that it determines are necessary at such time or times as it may determine. If repairs to the building or equipment on the premises are required, Occupant(s) shall be responsible for reporting the need therefore to the Facilities Services Office or an office designated thereby. If repairs, renovations, painting, or other work is required because of the carelessness, negligence, or fault of the Occupant or guests, or because of any breach of the conditions of the Contract, the Occupant shall pay all costs and expenses of such work and also the cost of repairing or replacing any personal property of any other resident or guest on the premises which may be damaged by reason of the carelessness, negligence, or fault of the Occupant or guests, or by reason of any breach by the Occupant or any of the conditions of the Contract. 3. Compliance with COVID-19 Requirements. Occupant agrees to abide by (a) all requirements and best practices related to preventing the transmission of COVID-19 as may be published from time to time by governmental authorities having jurisdiction, including but not limited to the U.S. Centers for Disease Control and Prevention and state and local health authorities; and (b) all University policies, rules, conditions, regulations and procedures related to or arising out of COVID-19, as modified, amended or supplemented from time to time (“COVID-19 Requirements”).

   (a) University shall have the right to restrict access to the University Residence Halls, in whole or in part, including closing the University Residence Halls entirely and requiring Occupant to vacate the University Residence Halls for an indeterminate amount of time, in the event that University, in its sole and absolute discretion, determines that doing so is in the best interests of the health and safety of its students, the University community and/or the public, including, without limitation, for the purpose of complying with any (i) law, regulation or order established by a national, state or local governmental authority or (ii) other COVID-19 Requirement (a “Health and Safety Closure”).

   (b) University, in addition to other termination rights described in the Housing Agreement, and elsewhere herein, shall have the right but not the obligation to terminate the Housing Agreement immediately and take possession of an apartment or room in the event of a Health and Safety Closure.

   (c) In the event of a Health and Safety Closure, Occupant shall vacate and remove all personal belongings from University Residence Halls within the timeframe established by the University. Occupant is expected to follow established closing and/or check-out procedures published by Housing Services.
(d) In addition to any rights set forth in the Housing Agreement, University may, but shall have no obligation to, access and use and/or allow third parties to access and use (including lease) the University Residence Halls in whole or in part during a Health and Safety Closure. Occupant shall not be responsible for any damage to the University Residence Halls caused by such third party.

(e) In the event of a Health and Safety Closure, University shall credit Occupant’s bursar account in accordance with applicable University policies (the “Closure Credit”). The Closure Credit shall be the sole and exclusive remedy available to Occupant in the event of a Health and Safety Closure. Except for the Closure Credit, University shall not be liable to Occupant for any direct, indirect, consequential, incidental, punitive or other liabilities, losses, costs or other damages arising out of or related to a Health and Safety Closure, and Occupant waives the right to make any claim for the foregoing.

5. **Guests; Occupant Property.**

   (a) Notwithstanding anything to the contrary set forth in the GPO, Occupant shall comply with all COVID-19 Requirements related to guests and other visitors in University Residence Halls.

   (b) Occupant acknowledges and agrees that, given the uncertain nature of the COVID-19 pandemic, a Health and Safety Closure may occur at any time and continue for an indefinite period. Therefore, Occupant is strongly discouraged from bringing large furniture (for example, beds, futons and couches) or other large personal items that may be difficult to remove from University Residence Halls in an expedited manner. In the event that Occupant leaves any such property in University Residence Halls during a Health and Safety Closure, University may remove such property from University Residence Halls and Occupant shall pay any charges or expenses incurred by the University in connection with such removal (including charges incurred to ship such property to Occupant, if any).

6. **Force Majeure.** In addition to the force majeure provision set forth in the Housing Agreement, the University shall not be liable or financially responsible (i.e., will not issue refunds) for any delay or failure to perform its duties under the Housing Agreement or this Addendum by reason of (a) government order, law, or action, including, without limitation, work stoppage, business closure or similar orders related to any pandemic or epidemic, including COVID-19; or (b) pandemic, epidemic, illness or disease, including COVID-19. University’s reliance on the force majeure provisions set forth in the Housing Agreement and this Addendum shall not be adversely impacted or otherwise prejudiced by the fact that such force majeure event is currently occurring or is otherwise foreseeable in any manner.
