HOUSING INFORMATION

Your housing information is now available on-line. Log into Housing and Dining Self Service. On the main page under Room Assignments and Dining plans you will be able to view your information including building, room, and roommates. More information about your building, room, and themed community (if applicable) is available on our website:

http://www.lehigh.edu/housing.
PERSONAL PROPERTY INSURANCE

The University does not carry insurance on students’ property and does not compensate students for belongings lost to theft, fire, or other damage. Unfortunately, these events can occur. To help prevent theft, we ask that you do not leave valuables unattended in an unlocked room or vehicle.

Check your parents’ homeowner’s insurance to see if your property is covered while you are a student at Lehigh.

National Student Services, Inc. provides low-cost property insurance for students. Visit www.nssi.com to learn more about insurance options, including purchasing renter’s insurance.

Please note that the University is merely making this plan available and has no involvement in its operation. The insurance contract will be between you and National Student Services, Inc.

EARLY ARRIVAL INFORMATION

If you are a participant in a University Sports Pre-Season Camp or a participant in a University Program or Organization you do not need to submit an early arrival request form unless your circumstances fall outside the scheduled arrival date and time.

If you are not a participant in a University Sports Pre-Season Camp or a Participant in a University Programs or Organizations but have extenuating circumstances and need to move into your residential assignment early, you must submit an Early Arrival Request Form no later than August 4th.

No individual arrival will be available prior to Monday, August 21st.

You can find the Early Arrival Request Form on the housing website: go.lehigh.edu/earlyarrival

Upon receipt of the form, the Office of Residential Services will review your request and notify you by email. If your request is approved, you will be informed of the check-in location, date and time for your early arrival ($25 per night until your scheduled arrival date).

We ask for your cooperation with this process so that move in is a smooth process for everyone. Untimely communication may result in additional processing fees (i.e. $25 for late sign-up, $25 for no sign up) in addition to the $25 per night early arrival cost.
You may make **one change** to your Dining Plan by August 28th. You will be able to make **one additional change** to your Dining Plan between August 28th and September 8th. These changes will be viewable in our system immediately and in Banner the following day.

We would like to encourage you to review all of your meal plan options now and make only one change to your meal plan for the upcoming semester. This will help you to keep your Bursar bill for the upcoming semester neat and tidy which makes the Bursar bill easier to understand.

To change your meal plan, please log into Housing and Dining Self Service; Select Meal Plans; Select Fall 2017 as the Term; Click Submit. From here you will be able to make one change during each of the above mentioned timeframes to your Meal Plan.

All Meal Plan changes must be made according to your Meal Plan requirements based on where you live. If you are unsure of these requirements, please check them on our 2017-2018 Meal Plan Rates page.
