Regulation E - This Regulation outlines the rules and procedures for electronic funds transfers (EFTs) for consumers. Please note: The protections and deadlines included in Regulation E do not apply to business accounts. It only establishes rights, liabilities, and responsibilities for consumers transacting business on consumer accounts.

Tip: Make sure to review your accounts regularly and frequently to minimize the risk of fraud.

Wells Fargo makes it safer to shop online with MasterCard SecureCode and Verified by Visa purchasing protection.

Once you enroll in MasterCard SecureCode or Verified by Visa, you'll have a single password to use when you make purchases at participating online stores with your commercial card.

Added safety when you shop online

With MasterCard SecureCode and Verified by Visa:

- **Only you can use your card.** Because you are the only one who knows your password, you are the only one who can use your card.
- **It's easy to use.** When you shop at participating online merchants, simply enter your MasterCard SecureCode or Verified by Visa password when you are prompted. Then you can complete your transactions as you usually do.

Fee

There is no charge — MasterCard SecureCode and Verified by Visa are free to cardholders and their companies.

It's easy to enroll

- Register your Wells Fargo commercial [MasterCard here](#). Register your Wells Fargo commercial [Visa here](#).
- **When you make a purchase** at participating online merchants, enter your password during checkout.

Purchase secure. Purchase smart. Register for MasterCard SecureCode or Verified by Visa today.

Your Password is your protection. Get yours today.

Introducing added safety when you purchase online

You can protect your WellsOne™ Commercial Card with a unique password for online purchasing. All you have to do is register with Verified by Visa today.

Every time you enter your WellsOne™ Commercial Card number to make a purchase at a participating online merchant, you'll be asked to supply your password before your transaction can be completed. Only you will be able to use your WellsOne™ Commercial Card for internet purchases. Registration is quick and easy.

Purchase secure. Purchase smart. Here's how.

1. Start the purchase process by entering your WellsOne™ Commercial Card number
2. You'll then be asked to supply your secret Verified by Visa password.
3. Submit your password and your transaction is completed quickly and safely.
